Jaypee Greens Naturvue Apartments - (Sports City)

It's time to plan for your child own landing space!

Jaypee Greens presents Naturvue, family apartment at the heart of Sports City that provides your family an unmatched environment for healthy growth. In the close proximity to Yamuna Expressway, Jaypee Naturvue Apartments are situated right on the 'Boulevard' and our uniquely designed for enhanced natural light and ventilation.

Naturvue apartment's project has a podium feature, which ensures that there are large landscaped green areas, with ample recreational facilities for children, and general sit outs. It is here that you'll enjoy the sight of a tranquil stretch, taste the crispness in the air, tune in to the chorus of nature and absorb the fragrance of blooms.

These 2BHK apartments in Sports City, with a comfortable size of 69.68 Sq. m (750 Sq. ft.) each are housed in towers rising up to 14 floors. Your home is surrounded by the tasteful indulgence of Jaypee Greens Sports City where you'll find every amenity you needs, to live a life of happiness. These apartments are being constructed by L&T and will be ready in approx 42 months.

Special care will be taken to preserve the environment and make the entire city eco-friendly. As far as possible & feasible, local materials will be used for construction purpose, fresh water will be conserved and gray water would be recycled and energy to be produced locally by means of eco-friendly systems. Open spaces to be provided preserving natural environment, eco-retreats and hosting eco-activities. Several other steps will be taken such as recycling solid waste, protection of natural flora & fauna, use of indigenous plants in the city, walking and cycling to be encouraged.

Address : Yamuna Expressway,
Type : 2/3 BHK
Sizes : 750 Sq. ft

*"Most accurate" claim(s) pertains to the accuracy of home listings, compared with other national listing portals, and are based on the greater frequency of listings updating on realtor.com®.

Realtor.com® has real estate listings for millions of homes for sale in regions across the United States and Canada. Our listings represent over 300 MLs and real estate in top cities and real estate in top states at our franchise along with thousands of homes in smaller cities and towns. We have mobile users covered as well with smartphone real estate apps for all of the most popular mobile devices, such as iPhone, iPad, and Android. Simply enter a city and state in our search bar to gain access to our expansive database of real estate listings, houses for sale, house and apartment rentals, and other real estate property currently on the market. You can even find housing prices too. So whether you're looking for Los Angeles real estate or detailed New York real estate listings, look no further than realtor.com®.

Each real estate listing provides comprehensive details about the property so you have a clear picture of what features and amenities are included. We also go beyond real estate listings with access to real estate tools and resources such as calculators, moving guides, free sample buying tips, and even guides for movers, self-storage, and home insurance. As a free online real estate site, we even have a real estate library where you can read up on important real estate facts and details. Verify everything you need to bid the perfect home is here.
